Unaware of the danger and mystery behind this man, Hannah finds

herself drawn deeper. Will she wake up in time to smell the coffee or will she find the taste of truth all too bitter?Biographie de l'auteurAs a young girl in Uganda, Molly Gambiza knew she wanted to see the world, so when an opportunity arose to work as a nanny in England, she jumped at the chance. She arrived in the United Kingdom speaking only a little English and taught herself to speak the language by reading as many novels as possible. Molly met her husband just as she was preparing to return home. She knew he was the one when he travelled to Uganda to ask for her hand in marriage. Now living in the United Kingdom, the couple has been married for twenty-five years. They have two grown sons, who occasionally pop in to make sure they havent been written into their mothers latest manuscript. While working as a receptionist, Molly is passionate about writing and fashion. She has published five novels: True Colours, Mistaken Identity, A Womans Weakness, A Daring Date and Living Her Dream.
