Description :

Prsentation de l'diteurBarking is more than just noiseBarking is natural and almost all dogs bark. It is one of the many ways dogs communicate with each other as well as with humans. In this book, author Turid Rugaas, well known for her work on identifying and utilizing canine calming signals, turns her attention to understanding and managing barking behavior.Think of barking as your dogs language. By learning to identify what your dog is expressing when he barks, you can take steps to minimize their negative

effects. You will learn How to utilize knowledge of canine body language to help you communicate with your dog before barking gets out of hand. Barking characteristics of different breeds and groups of dogs. How to recognize six types of barking and their causes. Step-by-step training methods to solve barking problems.
