Publishers WeeklyAlex Cross is back, and so is his nemesis, mass murderer Gary Soneji and hes out for revenge. But first, Gary wants to play, and its up to Alex to figure out the game. The lives of thousands of innocent commuters hang in the balance. From D.C. to Delaware, New York to Paris, Cat Mouse will take you on a heart-pounding adventure. Its James Patterson at the top of his game.

Prsentation de l'diteurJust as Alex Cross is beginning to feel that life is good and he is finally coming out of the depression he's been in since the death of his wife, he is called to Union Station train terminal - a man is on the loose, firing at random into the swarming crowds of travellers. Psychopath Gary Soneji seems

determined to go down in a blaze of glory, and he wants Alex Cross to be there. Will this be the final showdown.com That monstrous villain Gary Soneji is back in *Cat Mouse*, the fourth book in James Patterson's series about Alex Cross, a police forensic psychologist, but he's not alone. In seeming support of the premise that you can never have too much of a bad thing, Patterson has thrown a second serial killer into the mix: Mr. Smith, a mysterious killer terrorizing Europe while Soneji practices his own brand of evil along the Eastern Seaboard. With two killers to track, Cross has his hands full--and Patterson has another hit. From

Library Journal Fans of Patterson's Alex Cross series will be delighted with this latest installment. Reappearing is Christine Johnson, seen in an earlier Cross novel, *Jack Jill* (LJ 8/96) and the principal at his children's school, and Cross has fallen in love with her. Gary Soneji, the creepy kidnapper and murderer from another Cross book, has broken out of jail and embarked on a new killing spree, again taunting Cross that he can't stop him. And one of his intended targets is Cross and his family. If that isn't enough, there's a new serial killer whose murders are so inhuman that the news media are suggesting that he's an alien from another planet. All story lines connect in this thriller, whose driving plot will distract you from thinking about its implausibilities and keep you turning pages to the last, when you'll find yourself impatiently awaiting the arrival of the next Cross novel.
