Description :

Prsentation de l'diteurAn irreverent homage to the '95 travel classic Notes from a Small Island, wherein Ben Aitken retraces Bill Brysons journey as precisely as possible same hotels, same plates of food, same amount of time in the bath before finishing outside his house on Christmas Eve."It would be wrong to view this book as just a highly accomplished homage to a personal hero. Aitken's politics, as much as his humour, are firmly in the spotlight, and Dear Bill Bryson achieves more than its title (possibly even its author) intended."
