Description :

Prsentation de l'diteurOn September 1, 2011, TJ Klune wrote, "...it's not about the ending, it's about the journey..." in a review of Eric Arvin's Woke Up in a Strange Place. With those words, two men began a journey of love and invited us to ride along. TJ and Eric have shared so much with us: their wonderful books, their smiles, their humor, their lives, and their inspiring devotion to each other. In December of 2013, their journey took a detour when Eric was taken to the emergency room. He survived the surgery to remove a cavernous hemangioma from his brain stem, but the challenges TJ and Eric face are far from over. The authors in this anthology donated their talent as a way to support Eric's continued recovery, to help bring strength to TJ, and to show both of them just how much love surrounds them. Grand Adventures is a diverse range of stories about the journey of love. Were going on some grand adventures for a great cause. Thank
