Biographie de l'auteur Twenty years ago Kylie Chan married a Hong Kong national in a traditional Chinese wedding ceremony in Eastern China. She and her husband lived in Australia for eight years, then in Hong Kong for ten years. She has seen a great deal of Chinese culture and has come to appreciate the customs and way of life. Three years ago she closed down her successful IT consultancy company in Hong Kong and moved back to Australia. She decided to use her knowledge of Chinese mythology, culture, and martial arts to weave a story that would appeal to a wide audience. Since returning to Australia, Kylie has studied kung fu (Wing Chun and Southern Chow Clan styles) as well as tai chi, and is now a senior belt in both forms. She has also made an intensive study of Buddhist and Taoist philosophy and has brought all of these together into her storytelling. Kylie is a mother of two and lives in Brisbane.
