## Description :

Prsentation de l'diteurFrom Munich, on June 29, 1890, Ibsen wrote to the Swedish poet, Count Carl Soilsky: "Our intention has all along been to spend the summer in the Tyrol again. But circumstances are against our doing so. I am at present engaged upon a new dramatic work, which for several reasons has made very slow progress, and I do not leave Munich until I can take with me the completed first draft. There is little or no prospect of my being able to complete it in July." Ibsen did not leave Munich at all that season. On October 30 he wrote: "At present I am utterly engrossed in a new play. Not one leisure hour have I had for several months." Three weeks later (November 20) he wrote to his French translator, Count Prozor: "My new play is

finished; the manuscript went off to Copenhagen the day before yesterday.... It produces a curious feeling of emptiness to be thus suddenly separated from a work which has occupied one's time and thoughts for several months, to the exclusion of all else. But it is a good thing, too, to have done with it. The constant intercourse with the fictitious personages was beginning to make me quite nervous." To the same correspondent he wrote on December 4: "The title of the play is Hedda Gabler. My intention in giving it this name was to indicate that Hedda, as a personality, is to be regarded rather as her father's daughter than as her husband's wife. It was not my desire to deal in this play with so-called problems. What I principally wanted to do was to depict human beings, human emotions, and human destinies, upon a groundwork of certain of the social conditions and principles of the present day." Biographie de l'auteur Henrik Ibsen (1828-1906) was a major 19th-century Norwegian playwright, theatre director, and poet. He is often referred to as "the father" of modern theater and is one of the founders of Modernism in the theatre. His plays were considered scandalous to many of his era, when European theater was required to model strict mores of family life and propriety. Ibsen's work examined the realities that lay behind many facades, revealing much that was disquieting to many contemporaries. It utilized a critical eye and free inquiry into the conditions of life and issues of morality. Ibsen is often ranked as one of the truly great playwrights in the European tradition. Many consider him the greatest playwright since Shakespeare.
