## Description :

Prsentation de l'diteurCarpe Diem is more than just a catchy phrase to Stacey Mallory. At least it was, until the near-fatal accident that took the use of her legs and changed her life forever. Stacey would do anything to dive once again into cool blue waters from a towering cliff, or feel the wind in her face as she opens up the throttle of her sleek, sporty motorcycle. To dance under the moonlight in the arms of a strong, sexy man.To escape her new reality, Stacey reinvents herself as Salienne Dulcette, the reclusive author of steamy erotic romances, and lives life vicariously through her characters. Writing about life isnt the same as living it, but until her miracle comes through, its all she has. Johnny Connelly is loving life. His construction business is

booming, hes surrounded by family and friends, and theres plenty of women willing to keep him company. So why does he feel like somethings missing? When his sisters college roommate comes to town for a visit, Johnny thinks he may have found that answer. Stacey is smart, sassy, and sexy as hell. She manages to do what no other woman has she not only lights a fire in his blood, but she touches his ragged soul in the process. Johnny knows he can reawaken Staceys passion, but is it enough to make her realize whats really important? Presentation de l'diteur Carpe Diem is more than just a catchy phrase to Stacey Mallory.
