## Description :

Prsentation de l'diteurWhen Dr. Nagashima loses his wife in a mysterious car crash, he is overwhelmed with grief but also an eerie sense of purpose; he becomes obsessed wiht reincarnating his dead wife. Her donated kidney is transplanted into a young girl wiht a debilitating disorder, bu the doctor also feels compelled to keep a small sample of her liver in his laboratory. When these cells start mutating rapidly, a consciousness bent on determining its own fate awakens, bent on becoming the new dominant species on earth.Parasite Eve was the basis of the hugely popular videogame of the same name in the U.S. and has been cinematized in Japan.Revue de presseComes just in time for summer getaway readingOozes with enough violence and sexual perversity to make Caligula blush.TIMEHideaki Sena, a pharmacologist, microbiologist and now pop icon, knows all too well how to combine the scientifically plausible with the psychologically unimaginable

Have fun with it, by all means, but don't keep it on the bedside table. Susan Salter Reynolds, L.A. Times  
Parasite Eve combines Michael Crichton's scientific cutting-edge plausibility with David Cronenberg's  
abject flesh/sex horror. Throw in Frankenstein and The Blob, synthesize, and enjoy. Fangoria  
Senas work in pharmacology and microbiology lends this Japanese import a sense of discovery and fear that resonates  
when new science is not fully understood. SF and horror fans who liked Suzuki Koji's Ring will find Parasite  
Eve a chilling tale on a cellular level; recommended. Library Journal
