Description :

Prsentation de l'diteurFrom the highly acclaimed New York Times and USA Today bestselling Promise Me series comes a new story. A standalone novel.A race for survival and love.Once with him was never enough.I am the girl you dislike. The girl you snub at parties. I am the one who flirts with men and knows no boundaries. I am the one you whisper about. The one who has no rules. I am the one who takes and uses without any regret or excuses.On the outside I am perfect. I have money, looks, and a personality that makes people stand up and take notice, but on the inside I am broken and hurting.Then I met Cash Marshall.He wasnt what I needed, but I wanted him anyway. It was Cashes carved, muscular body I thought about. It was his cool, confident touch I craved. I swore he would only be a one-night stand, another distraction to take away the pain.But then our world changed.Our story is not about love. Love is pretty and sweet and full of

niceties. Those no longer exist. Our story is about finding each other again in a world gone crazy. Its about surviving the impossible when war ravaged our land. Its about saving each other from the darkness and finding out just how strong we could be. And maybe, just maybe, along the way, well find love Once and for all.
