Description :

Prsentation de l'diteur Theo Waitley is a Nexus of Violence. Thrust mid-year into a school for pilots far from the safe haven of her birth home on scholarly Delgado, young Theo Waitley excels in hands-on flying while finding that she's behind the curve in social intricacies as well as in math. Her mentors try to guide her studies and training into the channels best suited to her special abilities and inclinations, including suggesting that she should join in the off-world student association, a plan resulting in mixed success. After a series of confrontations, fights, and ultimately a riot after which she is thanked for not killing anyone, Theo is named a "nexus of violence" by the school's administration. Facing suspension and carrying little more than a hastily procured guild card, a pistol taken from an attacker, and the contents of her pants pockets, Theo must quickly decide if she's ready to return to Delgado in disgrace, or launch herself into the universe as a freelance pilot with credentials she's already earned. The sequel to Fledgling, Saltation is the tenth book

in the Liaden Universe series. At the publisher's request, this title is sold without DRM (Digital Rights Management). Presentation de l'auteur Theo Waitley is a Nexus of Violence.
