Description :

Prsentation de l'diteurThe captivating, bestselling Spirit Gate swept readers into the turbulent world of the Hundred, where the peace and order of life under the protection of the immortal Guardians has given way to chaos and violence. In the face of a vast horde of marauders led by a rogue Guardian, the bravery and resourcefulness of a lone eagle-reeve and others who risk their lives for the common good have prevented death and destruction from overwhelming the Hundred. Now in Shadow Gate, the enthralling sequel, the source of corruption of the Guardians is still a mystery to the mortals who fight to withstand the forces that have turned against them. And when three new Guardians emerge, a struggle begins among the immortals,

with nothing less at stake than the future of the land and its gods. With all the color, excitement, and narrative power that have made Kate Elliott an enormously popular writer, *Shadow Gate* weaves a powerful spell of action, romance, and magic that will entrance legions of readers. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. From Publishers Weekly In this many-layered second installment in the Crossroads fantasy series (after 2007's *Spirit Gate*), Marit, an eagle-riding reeve, awakens as a spirit three years after her death and slowly realizes she's become one of the nine Guardians, protectors of justice who wield god-given powers. Soon Marit discovers that some of her fellow

Guardians lead forces plaguing the land, while others hide or resist. Meanwhile, among the living, war rewrites the social order, and those of different religions and homelands make common cause. Elliott follows Qin soldier Anji and his troubled, lonely wife, Mai; Marit's former lover, reeve marshal Joss; and Kirya, a tribal warrior who sells herself into slavery to protect her brother. Each must balance cultural imperatives with a broader view of justice, and survival with mercy. The cosmology and politics may confuse newcomers, but the human dilemmas grip the reader right through to the abrupt final cliffhanger. (Apr.)
