But now the clones have formed their own empire, and they aim to keep it...no matter who they must defeat.Biographie de l'auteurBorn in California but raised in Hawaii, novelist/video game fanatic Steven L. Kent turned a life-long joystick

addiction into a 15-year gig writing for publications like MSNBC, Boys Life, USA Today, Chicago Tribune, and Japan Times. After publishing the 600-page *The Ultimate History of Video Games*, Kent satisfied his Pac-Man-angst and set his sights on fiction. Having just submitted *The Clone Elite*, the fourth book in his Wayson Harris Trilogy, Kent is currently writing a standalone sci-fi novel while he develops a new series based on the Unified Authority.
