## Description :

Prsentation de l'diteurThe first Priscilla Hutchins novel!Humans call them the Monument-Makers. An unknown race, they left stunning alien statues on distant planets in the galaxy. Each relic is different. Each inscription defies translation. Yet all are heartbreakingly beautiful.And for planet Earth, on the brink of disaster, they may hold the only key to survival for the entire human race.Revue de presseThe logical heir to Isaac Asimov and Arthur C. Clarke.Stephen KingPraise for The Engines of God:Splendid. Not since Arthur C. Clarkes Rendezvous with Rama has the discovery of artifacts of alien intelligence been treated so skillfully.Baltimore SunMcDevitt gives us interstellar archeology rendered with mystery, deftly turned ideas,

echoing atmosphere, and steady tension. He delivers a compelling tale with a steady hand. Gregory BenfordMcDevitt is at his best award-winning style in this intelligent and wide-ranging novel.
