Description :

Prsentation de l'diteurMore than a century ago, the cataclysmic struggle between the wizards and the mages ended in their mutual destruction -- leveling great cities and reducing grand palaces to dust. From the vast graveyard that remained, the Empress Ourina rose up to proclaim herself the Divine Incarnation of the Devouring Moonruling her wasted realm with the blackest sorcery; turning her priests from men to monsters and setting them loose to enslave or destroy all who would oppose her.But now signs and portents hint of a championa young girl, hidden and talented, who is destined to end Ourina's terrible reign. And now a brave band of heroes must locate their savior princessseven if it means being pursued to the ends of the world by

the withering fury of the dark goddess herself. Presentation de l'auteur More than a century ago, the cataclysmic struggle between the wizards and the mages ended in their mutual destruction -- leveling great cities and reducing grand palaces to dust. From the vast graveyard that remained, the Empress Ourina rose up to proclaim herself the Divine Incarnation of the Devouring Moon ruling her wasted realm with the blackest sorcery; turning her priests from men to monsters and setting them loose to enslave or destroy all who would oppose her. But now signs and portents hint of a championa young girl, hidden and talented, who is destined to end Ourina's terrible reign. And now a brave band of heroes must locate their savior princess even if it means being pursued to the ends of the world by the withering fury of the dark goddess herself. Biographie de l'auteur Debut author Madeline Howard enjoys gardening, Celtic myths, and working on the next Rune of Unmaking book. She lives in Northern California with her family.
