The Wrath of Karma rewinds to Chapter 42 of The Kiss of Karma. This time Ash makes a terrifying decision from which there is no way backand the future for his sister, his mother and himself is more brutal than the past. Ten years later, Ash is a tough, hardened young man. He has everything a poor kid from a council estate can dream of money, cars, beautiful women. But it all comes at a price. He hates what he has become and what his sister has turned into. Indebted to Ramesh Rahman, now the head of a successful criminal empire, Ash develops lucrative cocaine markets within affluent young Asians. Trapped in a vicious gangland world it is a only matter of time before karma comes full circle and he meets a violent end. Hope returns when Sherifa,
