Description :

Prsentation de l'diteur Stacy Justice is looking forward to a lazy summer of hot dogs and beer; swims in the lake with her Great Dane, Thor; and hanging with her rekindled old flame, Chance. But when she gets a creepy anonymous call hinting that her fathers accidental death fourteen years ago was actually a murder, shes too unsettled to relax. Stacy has blamed herself for his death all along in fact, its the reason shes fought so hard against being a witch. But whod want to kill an innocent small-time newspaperman? Thats the question on Stacys mind when she casts a spell that goes horribly wrong. And between the white tiger that keeps appearing out of thin air, the body in the lake, the feisty razor-toothed Chihuahua, and the gun-toting

maniac, she suddenly has her hands full once again. But solving the mystery of her fathers death is Stacys number-one priority and avenging it, if necessary, is a very close second. Continuing the thrilling Stacy Justice saga, Tigers Eye drives the reluctant witch deeper into the mysteries of her familys past and the darker regions of her soul.
