## Description :

Prsentation de l'diteurFifteen years after Earth joins the Galactic Free Trade Association the planet is flooded

with alien technology. Somebody has to support all the new galactic tech and Jack Buckston, President, CEO and sole employee of Xenotech Support Corporation, does his best to keep his clients happy, find true love and prevent interstellar war. Galactic technology has cured cancer, solved the energy crisis, and eliminated global warming--but what do the aliens want from us? They can't get enough Congressional subcommittee broadcasts--they consider them reality comedies! Xenotech Rising is a light-hearted romp and the first book in the Xenotech Support / Galactic Free Trade Association series. Prsentation de l'diteur Fifteen years after Earth joins the Galactic Free Trade Association the planet is flooded with alien technology. Somebody has to support all the new galactic tech and Jack Buckston, President, CEO and sole employee of Xenotech Support Corporation, does his best to keep his clients happy, find true love and prevent interstellar war. Galactic technology has cured cancer, solved the energy crisis, and eliminated global warming--but what do the aliens want from us? They can't get enough Congressional subcommittee broadcasts--they consider them reality comedies! Xenotech Rising is a light-hearted romp and the first book in the Xenotech Support / Galactic Free Trade Association series. Biographie de l'auteur Dave Schroeder is a former Chief Information Officer who's done his share of tech support. He's served as Chief Technology Officer for a Bay Area dotcom and led the ecommerce division of a major Internet consulting company. He also wrote the book, music and lyrics for Softwear.com, a musical comedy produced off-off-Broadway. Dave lives in suburban Atlanta where he enjoys writing and voice acting with the Atlanta Radio Theatre Company.
